Because of a new state law, this year's seniors aren't going to get out two weeks early like seniors of previous years. To make up for these days, the seniors came to school in sub-zero weather to attend a "career" day. Various speakers came in to talk to classes about future careers. Since it wasn't a scheduled school day, the cafeteria was closed. Thanks to the senior class officers lunch was ordered beforehand from KRAUS' and DEVERLO'S. The day was cut short due to adverse weather conditions.

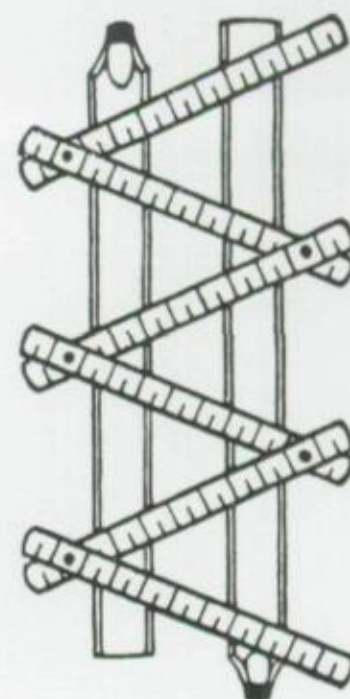

GRAPHIC ARTS

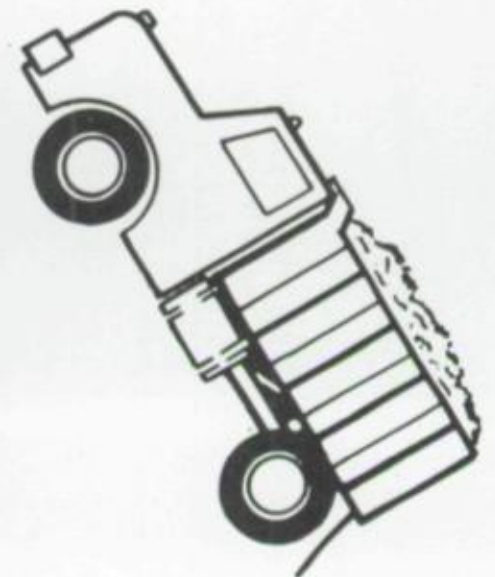

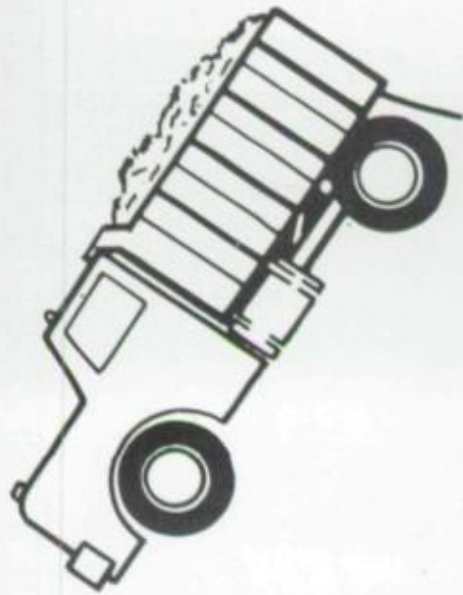

"R.G. Dragè is like a second home. It helps you mature faster and take on more responsibility because of the fact that you are actually doing the work in lab class of your specified field; it's just like a job. Also they treat you like adults. All this helps you prepare for the outside world.

Graphic Arts is all the steps in preparing things to go on the printing press, then printing it and also the bindery work that is to be done after printing. We learn to use a phototypesetter- a machine that produces different size letters (words) in different styles that develops on film, to make negatives in the darkroom, the use of the 35mm camera and making enlargements paste-ups and layout work of the copy that is to be printed, stripping up negatives in the correct position, burning a plate for the printing press, working on different sizes of printing presses, and doing bindery work of the finished product- like drilling, scoring, perforating and trimming it down to the finished size. We also learn to silk screen.

Graphic arts is something that is used everyday in our lives. It's a way of communicating. It is an excellent field to get into because jobs for it are unlimited. It's a lot of fun, but like everything else it takes some thinking. We have a lot of fun especially in the darkroom! R.G. Drage is a place to help you grow." Jeannine Russo

MACHINE TRADES AND DIESEL TRADES

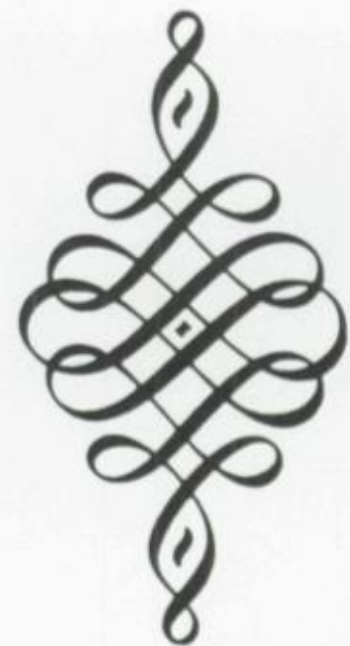

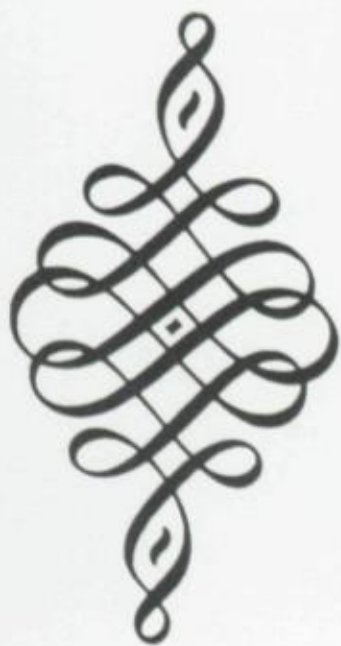

"I'm in Diesel Mechanics at R.G. Drage. I appreciate the fact that I'm learning a trade that I'm interested in. The academics are easy but informative. The school is immaculate.

The class that I'm taking is very open and light-hearted. Mr. Speedy had been in the Navy for 30 years working on Nuclear and Diesel submarines. Also on refrigerator units.

I recommend the school to anyone interested in a variety of things, such as, auto, meat-cutting, nursing, restaurant, or secretarial."

SCHOOL LIFE

SPIRIT WEEK OF '84

POWDERPUFF FOOTBALL GAME A FIRST FOR NORTHWEST!

This year we decided to start something new at Northwest. As a part of Spirit Week, a girls football game was added for Thursday evening before the bonfire. The players consisted of two teams: the Junior girls and the Senior women.

The idea was brought to us by Jane and Janice Gabbard who came to Canal Fulton from Iowa.

The Senior women were coached by ms. Lauer and Miss Porter, and the Junior girls were led by Mr. Held. The game was officiated by Dr. Frost and Mr. Corral, who received a shaving cream bath by the Senior Cheerleaders. (six senior guys!)

The winners of the game were the Senior women; However, we all enjoyed a spirited evening.

The bonfire was sponsored by "The Tribe", and was a huge success thanks to all involved.

THE SENIOR WOMEN: Back row: Lisa Kittle, Shelley Eyrich, Linda Graham, Netty Harty, Mary Hall, Lynne Smith. Middle row: Nancy Hazel, Noelle Christman, Jane Gabbard, Vicki Booth, Cindy Lindic, Kim Horn, Kathy Noffkee, Kelley Forster, Beth Belford, Brenda Casto. Kneeling: Tracey Bowman, Ms. Lauer and friend.

NERD DAY AT NORTHWEST

During Spirit Week each day has a theme that the students dress up to to show their own spirit. This year they chose to have a "Hat Day", "Nerd Day", "Concert T-Shirt Day", "Army Day" and "Red and Gray Day". The halls fill with laughter and cheers.

Richard Hanus "nerds" around in the computer class.

COLLEGE NIGHT

Over 100 colleges send representatives.

Canton Civic Center opens its doors in September to interested students who wish to talk to representatives from colleges and universities located throughout Ohio and the nation. Many of our students take advantage of this informative evening.

Rich Saxby seriously searches for a medical school.

Ann Swigart, Nick Prexta, Joe Boles, and Chip Dice take time to chat with friends.

Junior *Joe Boles* wisely begins his search for the "right" college early. This night is offered to all students and their parents.

Melissa Brisendine and her mother discuss all options.

CHRISTMAS AT NHS

Teresa Elliott and Shelley Eyrich

Christmas elves and packages roam the decorated halls during December here at Northwest. Canned goods and money are collected from students to distribute to the needy. The Cheerleaders help to provide a breakfast for our Senior Citizens. The choir, band, and Tribal Tones perform for them during the annual Christmas assembly. We enjoy sharing our spirit with our wonderful friends!

Donations were placed under the tree.

GENE WISE HELPED JUDGE

The Gong Show was a great success with Gene Wise from WKDD helping judge the acts. John Romanoski won the \$100 prize by break dancing. Many acts were gonged before they had a chance to thrill the audience. The yearbook pictures did not turn out so we would like to thank Pam Kame and Mrs. Singleton and apologize to the other acts that were not pictured.

The 1984 Freshman football team finished the season with a 4-3 record. Two games were determined in the last several seconds of play. This provided a very exciting season for their devoted fans.

When asked what was their favorite play of the season, *Jim Bramlett* replied, "When *John Schilling* and I blocked for the winning touchdown against Waynedale in the last twenty-two seconds. "The best play was *Chris Miller's* 77 yard run against Triway," said *Greg Kunkle*. "Twenty-six Blue," was *Dave McClaskey's* quick reply.

Coach John Rair was proud of the team and wishes them luck next year as they try out for the reserve team.

Scott Luttrell blocks his opponent to help *Trompower* gain yardage.

Kirk Ries brings his soccer experience to the football field.

FRESHMAN CHEERLEADERS

Juli May, Karen Siemienski, Jamie Karaginis, Tina Schuckert, and Lori Whitmore

The Freshman football cheerleaders kept very busy during the season while under the guidance of *Mrs. Jane Cates*. Not only did they cheer at each game—they also made locker decorations for the team, performed at the pep rallies, painted run-throughs for the games, and spent countless hours practicing mounts and cheers.

VARSITY CHEERLEADERS

TALENT, DEVOTION AND TONS OF TIME . . .

These are the prerequisites for becoming a member of the Varsity Cheerleading Squad! After a tough tryout the members of the squad get together for many long hours of practice during the summer. They also attend a clinic for several days to learn new chants and cheers. After learning the cheers, the girls then hold car washes, sell candy, and other projects to earn money which will be spent on necessary items during the season. During the fall they make locker decorations, signs for the halls, run-throughs must be painted, and more hours of practice before they return home to study. Congratulations! We appreciate your work!

MARCHING BAND

The yearbook staff regrets that it cannot put the band members name under their picture; however, a list of members is located within this section.

Circle One: Suzanne Willmott and Sheri Stevens flash.

Circle Two: The Flags brave the brisk breezes.

UNDER THE DIRECTION OF MR. GARY MASOWICH . .

Before the above words are spoken over the P. A. at football game halftime shows; before the last button is buttoned on the bright red uniform; before the frantic rush for the bus or the commotion in the band room, many, many hours of practice are piled up one upon the other. Whether it's practice at home, during summer camp, or during ninth period and after school these students put long hours into their shows. The fans who sit in the bleachers to watch, understand and appreciate this.

The Northwest Marching Band plays at all football games and they have appeared at the Stark County Fair, Tuslaw, and West Holmes band shows. In addition, they perform for many parades including the Professional Football Hall of Fame Parade held in Canton, Ohio each summer.

When asked their thoughts on band we received many replies from the members. Here are a few:

"Fun and fulfilling!"-Dave Garvin, Sophomore

"I'd rather be getting a massage in Rio." -Richard Hanus, Junior

"Can't wait to initiate next years freshman." -Vicki Notch, Freshman

"Squad one is number one!"-Jim Slates, Junior

We feel the whole band is number one! (And thanks to the parents that feed us at the games, too!)

The band puts many long hours into their shows-during all kinds of weather.
